

Ultra Clean Hose Cleaning Kit

Removes contaminants from
inside hose assemblies

Reduces Downtime and Risk of Hose Failure

The Ultra Clean system reduces downtime, extends filter life and reduces the risk of hose failure and premature wear due to contamination by removing rubber dust and metal particles from the cutting process on hydraulic hose and metal flash from the hose crimping process.

Standard Kit Product Features:

- Part number TH6-10-HL-9-2
- Capable of cleaning 1/4" through 2" hose
- The launcher is supplied with a Full-Flow Quick Release Coupling and unique 360° Rotary Plug for proper air flow and non-fatigue operator use
- Unique Safety Release Bar that locks the faceplate into a closed position for firing Ultra Clean projectiles
- Manufactured from precision-machined aluminum and fully anodized for harsh environments and heavy use
- Ideal for production hose and tube shops, mobile hose fabricators and job site applications because of its simplistic design, size and portability

Air Requirements:

- 80 PSI (5.5 Bar) minimum to 110 PSI (7.5 Bar) maximum
- 1/2" ID air hose
- 5 micron filter and regulator with gauge are strongly suggested

ENGINEERING YOUR SUCCESS.

Economy Kit Product Features:

- Part number TH6-10-EL-7
- Capable of cleaning 1/4" through 1-1/4" hose, tube or pipe
- Has a quarter-turn locking ring for easy nozzle change and projectile loading
- The launcher is constructed of durable brass and aluminum internals, strong plastic handle, and anodized aluminum firing head and locking ring
- Ideal for mobile and job site applications because of its size and portability

Air Requirements:

- 80 PSI (5.5 Bar) minimum to 110 PSI (7.5 Bar) maximum
- 1/2" ID air hose
- 5 micron filter and regulator with gauge are strongly suggested

Optional Equipment and Accessories:

- A range of projectiles are available enabling the Ultra Clean System to be used on different sizes and types of hose, as well as coupling configurations
- Additional nozzles for JIC, Code 61 and Code 62 flanges, and ORFS are also available if required
